## MEDIA ADVISORY

### **Pipeline Project Open Houses to be Held in Tioga and Kenmare**

EDEN PRAIRIE, MN. – August, 03, 2011 – As part of its public outreach program for a proposed pipeline, Alliance Pipeline will host two community open houses in North Dakota this month. One open house will be held in Tioga at the Farm Festival Building on August 16th, and the other in Kenmare at the Memorial Hall on August 17th. Both open houses will run from 4:00 p.m. to 8:00 p.m.

Open house attendees can obtain information about Alliance's planned Tioga Lateral Project, view maps of the proposed pipeline route and talk with members of the company's project development team. Interested parties are invited to stop by at their convenience any time during the open house.

Subject to regulatory approvals, Alliance plans to develop a 77-mile pipeline and associated facilities in North Dakota to transport liquids-rich natural gas from a gas processing facility in Tioga, ND to its mainline near Sherwood, ND. The gas would then be shipped onward to the Chicago market hub. Counties through which the proposed pipeline would traverse include Williams, Mountrail, Burke, Ward and Renville.

For more information about the project and public involvement opportunities, call toll free 1-855-667-9558 or visit [www.tiogalateral.com](http://www.tiogalateral.com).
